

Now Hiring: Senior Estimator – Commercial Construction

Brilun Construction Limited | 645 Keltic Drive, Sydney, NS

Full-Time | Permanent | Minimum 50 Hours/Week

At Brilun, we build more than structures — we build futures.

As a trusted name in Nova Scotia's construction industry, we're known for quality, reliability, and a people-first approach. Whether you're a seasoned estimator or looking to take the next step in your estimating career, this is your opportunity to work on meaningful projects in a fast-paced, supportive environment where your contributions are valued.

Position Summary:

Brilun Construction is hiring a **Commercial Construction Senior or Junior Estimator** to support our growing portfolio of small to large-scale commercial projects. This role is suited for someone with strong technical expertise, a sharp eye for detail, and the ability to manage multiple tenders under pressure.

Key Responsibilities:

- Prepare detailed quantity takeoffs and cost estimates, particularly in concrete, carpentry, and drywall divisions
- Source and coordinate subtrades and specialty items in advance of tender closings
- Handle multiple tender submissions simultaneously, with accuracy and efficiency
- Maintain communication with architectural and consulting teams to clarify scope and specs
- Ensure all estimates are completed in accordance with project deadlines
- Maintain organized documentation and a proactive estimating schedule
- Contribute to a team-oriented environment, especially during high-pressure tender periods

Qualifications:

- Certified Engineering Technologist (CET) or Construction Technologist designation
- Minimum 5 years of related experience in commercial estimating (junior-level candidates with strong aptitude will be considered)
- Demonstrated ability to manage and close multiple tenders simultaneously
- Experience with takeoffs and pricing for concrete, carpentry, and drywall
- Familiarity with commercial project specifications and tendering practices
- Excellent organizational and time-management skills
- Strong communication skills and ability to collaborate with internal and external teams
- Self-motivated and dependable — able to work independently without supervision

Why Join Brilun?

At Brilun, you'll be part of a team that's grounded in respect, driven by purpose, and focused on delivering results. We value diverse experiences, support professional growth, and offer a work culture where people feel they belong. Competitive salary is based on experience, with a full benefits and pension package.
