

Now Hiring: Commercial Carpenter / Foreman

Brilun Construction Limited | 645 Keltic Drive, Sydney, NS

Full-Time | Permanent Position

At Brilun, we build more than structures — we build futures.

As a leading construction company rooted in Cape Breton, we take pride in delivering meaningful work, leading strong teams, and investing in people who take their craft seriously. If you're a skilled carpenter with leadership experience, a strong work ethic, and a drive to get the job done right — we want to hear from you.

Position Summary:

Brilun Construction is seeking a **Commercial Carpenter / Foreman** to lead crews on commercial projects. This is a hands-on role for a seasoned tradesperson who can take control of job start-up, coordinate subtrades, and deliver quality work on tight timelines.

Key Responsibilities:

- Lead and work alongside Brilun crews on commercial construction sites
- Oversee job start-up, with a focus on layout and concrete
- Read and interpret drawings/specs and execute work with minimal supervision
- Coordinate daily site tasks and collaborate with subtrades
- Communicate effectively with team members and project supervisors
- Ensure work is completed safely, efficiently, and to high quality standards
- Meet tight schedules while maintaining a positive, solution-focused attitude

Qualifications:

- Minimum 10 years of commercial carpentry experience
- Minimum 5 years in a leadership/foreman role
- Proven ability to lead teams and manage job sites independently
- Strong experience with concrete and job start-up processes
- Excellent communication and coordination skills
- Ability to work under pressure and meet deadlines
- Commitment to job site safety and professionalism

Why Work with Brilun?
